

**Broad Heath Primary School
School Council Agenda**

School Council Meeting:

Date: Thursday 20th December 2018 at 12.30pm

6 Red

Years 5 and 6 Meeting

Present: 6R, 6W (no Yusuf), 6B (Ridwan late), 5B, 5W, 5R

Minutes:

1. How is project week going? What do we like? What could be better?

Learning about food was fun and tasted good! Enjoyed art work and using different skills. Learning about different cultures about countries we didn't know a lot about previously. Loved the creative learning activities such as drama and creating a presentation. Learnt about the geography of their chosen country by using an atlas and Google maps. Enjoyed making food Mrs Sharif. Enjoyed visiting Nandos in 5 Blue.

To make it project week better:

- Use the outdoor area more.
- Learn to use more painting skills throughout the week.

2. How was the Panto?

It was entertaining and we enjoyed the different story compared to the previous year. It was good as the actors got the children involved at the end. The comedy and dancing was enjoyable.

In some parts, children were a little noisy. It wasn't too long compared to previous years.

3. What have you enjoyed learning this term? What other learning opportunities would you like to have in the New Year?

Enjoyed the Spanish lessons as it helps us to speak more fluently. Enjoyed using animation as an influence. Art – Liked the range of skills being taught. Enjoyed dying t shirts in year 5. Learnt a range of information in science through practical lessons. Art

week was fun and enjoyed learning about the different artists. Working in groups in our classes was fun and enjoyable. Trips to Dovedale and the cinema trip were fun.

Possible new learning opportunities for next year:

- Could we have more swimming sessions?
- More trips to museums to learn about history?
- A dodgeball club after school?
- More sport clubs for girls?

4. Look at School Council SEF and how this will develop the school and children's enjoyment/learning. Discuss the document. What do we think of the document? What else can we add to the document?

A large part of the meeting was discussing the new School Council SEF. Councillors understand the reason for having a document like this and how it can be used to improve the school.

Councillors shared that to support them in their new roles, they could do the following:

- We can spend time in classes across school and speak to children/teachers. Find out what children enjoy and how we can increase the enjoyment of learning.
- Go around school and read with children. Discuss with children what they enjoy and how we can become better at reading.
- Carryout children interviews.
- Carryout parent interviews.
- Observe children and staff at playtimes and watch how children play with each other.

5. Designate key roles for children. What can we do for these roles? (The names on the form is only an example). What should the impact be of these roles?

Councillors decided on their new roles:

Hargun and Ridwan - Behaviour ambassadors

Deniss and Asia - Learning ambassadors

Zuzanna and Fahaan - Reading ambassadors

Haleema and Yusuf - Outside learning ambassadors

Sean and Ayesha- Community ambassadors

Safa and Mohammad- Playtime ambassadors

All Councillors decided that to have a positive impact in their new roles, children need to spend time across the school and speak to children. Children can then identify what is done well and what the thoughts of children are. This will also help Councillors to identify areas to develop.

AOB

Year 6 – Look at how football is happening at break times and how this can be fairer for all children. Action: Year 6 teachers to talk to all of the children and discuss what is happening how to improve.
