

Reception Interactive Homework Overview: Summer 1

At Broad Heath we want children to be active learners who become great thinkers, super readers, fantastic writers, are kind, considerate but most all are inspired to learn.

By working together, we can make this school year a very positive and successful inspirational experience for both you and your child.

The children are to choose at least two activities from each row per week and complete in either their Homework book, Blog or on Purple Mash. The homework must be returned to school by Tuesday the following week after the homework has been set. A minimum of 2 pieces of homework must be completed each week.

	Week 1	Week 2	Week 3	Week 4
Mathematics 	Complete the doubling sums that have been put inside your folders.	Make a ladybird using a paper plate and find different ways to double the spots. Can you write this as a sum? 	Complete the doubling and halving worksheet provided.	Draw different sized worms and measure using a ruler. Which is the longest and shortest?
Literacy Phonics ee ur ow wh y au	Create your own life-cycle of a butterfly fact book using the booklet provided in your folder. 	Visit the library or choose your favourite story and find words for the following sounds and make a list: Green/Blue: ar, or, air Yellow/Orange: ay, ee, igh. Red: sh and ch words.	Use the internet to research and find information about frog and write some facts. Green/Blue: To write the life-cycle of a frog. Yellow/Orange: 3 sentences and a picture. Red: 1 sentence and picture.	Complete the minibeast word searches. How many words can you find and then put them into sentences.
	Being Imaginative Use your imagination to create your own symmetrical butterfly using a range of art media. 	Understanding the World Complete the table by going on a mini beast hunt to locate where they are hiding. Make a pictorial list or write sentences.	Understanding the World Go on a bug hunt around your garden at the local park and make a pictorial list of all the bugs that you can find.	Physical Development At home practice doing your buttons and take a video or picture to show us.

Stay and Play
