

Curriculum Overview

Year 5 Summer 1

Literacy

Our Literacy units this half term will be **Macbeth** and **Film Narratives**. Children will learn about a classic Shakespearian text using a variety of drama-based skills. Children will compare traditional forms of English with modern forms and explore characters motivations to produce a piece of writing.

Our Guided Reading focus this half term will be on scenes from Macbeth.

Each week, the children will be set a piece of homework to support their learning. The homework planner overleaf gives details about the homework tasks that your child is expected to complete each week. This homework may need to be completed in the **homework books, posted on the blog** or it will be available on 'Education City'.

<http://www.broadheath.coventry.sch.uk/>

You will also be expected to **practise your weekly spellings, read your reading book to an adult daily, complete challenges in your reading diary** and **contribute to our class blog**.

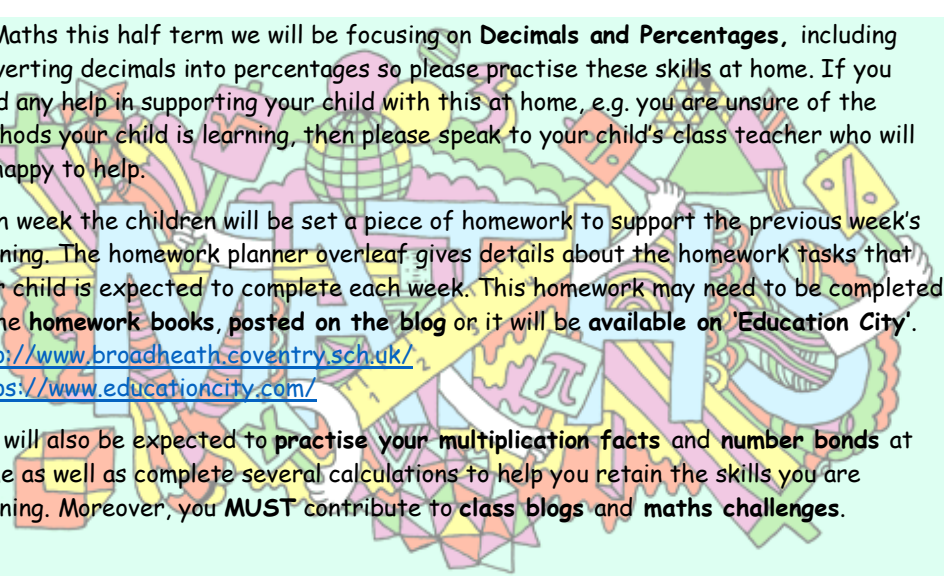

Maths

In Maths this half term we will be focusing on **Decimals and Percentages**, including converting decimals into percentages so please practise these skills at home. If you need any help in supporting your child with this at home, e.g. you are unsure of the methods your child is learning, then please speak to your child's class teacher who will be happy to help.

Each week the children will be set a piece of homework to support the previous week's learning. The homework planner overleaf gives details about the homework tasks that your child is expected to complete each week. This homework may need to be completed in the **homework books, posted on the blog** or it will be available on 'Education City'.

<http://www.broadheath.coventry.sch.uk/>
<https://www.educationcity.com/>

You will also be expected to **practise your multiplication facts and number bonds** at home as well as complete several calculations to help you retain the skills you are learning. Moreover, you **MUST** contribute to **class blogs** and **maths challenges**.

Science

Our Science unit this half term is '**Marvellous Mixtures.**'

The children will learn about different ways solids and liquids can be mixed together and separated. Children will learn about density of materials and carry out experiments to support their learning.

Keep looking out for Science links and challenges on our class blog.

Topic

Our topic this term is **Localities**.

We will be comparing Stratford-upon-Avon to our local area and exploring its human and physical features.

Computing: Our Computing unit this half term is '**I am a programmer.**'

SMSC: Our SMSC unit this half term will be '**What does it mean to be a muslim in Britain today?**'

Music: Children will explore Film music and create music along that theme.

PE: Our PE units this half term will be **Cricket, Rounders** and **Swimming**.
