

Year 3 Homework Overview: Summer 1

At Broad Heath we want children to be active learners who become great thinkers, super readers, fantastic writers, are kind, considerate but most all are inspired to learn. By working together, we can make this school year a very positive and successful inspirational experience for both you and your child.

The children are to choose at least two activities from each row per week and complete in either their **book, on the blog, Purple mash, Rising stars or on Education City.** The homework must be returned to school by **Wednesday** the following week after the homework has been set. **A minimum of 2 pieces of homework** must be completed each week.
