| <u>Items Discussed/Questions asked</u> | <u>Responses/Outcomes</u> |
|---|--|
| Welcome to the parents and explanation for new parents | Introduction |
| Parents support for Summer Fair-Update https://www.broadheath.coventry.sch.uk/?p=100631 | A successful and wonderful day. |
| Regularly check the blogs with your child/children | Reminder |
| School Photographs | Some parents have ordered photos, One parent suggested maybe do it a bit earlier in the year as this time of year everyone is paying out for holidays etc. Could you not have Shaun take the photos as his photos are really nice? (parent was referring to graduation photos) It was explained he doesn't have the programming for the photos and he also has a lot of other things to do around school. |
| Year 2 swimming sessions Some parents requested if they could join their child for the first Year 2 swim session | School are trying to arrange for parents to go in with their child to get them used to the pool getting them ready for swimming lessons. One parent shared that this is a high expectation when the teachers are so busy why could they not take them in the summer holidays to the AT7 centre to introduce them to the water there? |
| Responses to parent food taster session | Pasta is good but the sauce is too tangy could melted cheese be added to it. <i>Response-This happens when the children have the food.</i> It is fresh and tasty, fish is lovely Quorn mince is fine Everyone enjoyed the pizza bagel Year 2 trip with dry roll for the packed lunch and would prefer the sandwich option. The rest of the packed lunch was fine. <i>Response-Staff had trialled cheese spread as a different option to sandwiches.</i> One parent shared that is it not the filling it is the roll it is too dry; it is not enough and they are still hungry after it aswell. |
| Home/School Contract | Discussed the change of the home school contract. Some parents have been being unfair to other adults' children because they are not taking turns on the zip wire and other equipment. An adult will always need to be with the children whilst they are on the equipment Another new thing to be added will be that everyone will need to leave school site at 4:15PM. |
| After School Clubs- Please make sure you check the calendar and contact the relevant members of staff. Clubs run from weeks 1-5. http://www.broadheath.coventry.sch.uk/calendar/ | Reminder to check the calendar next week for the upcoming clubs for September. |
| Reading https://theconversation.com/fives-ways-that-reading-with-children-helps-their-education-99046 | Please take a look at the link for some hints and tips to help your child with their reading. |
| Stay and Play: | Timing reminder. |

| <p>Year 1- https://www.broadheath.coventry.sch.uk/stay-and-play-reminder/ Reception- https://www.broadheath.coventry.sch.uk/stay-and-play-11/ Nursery- https://www.broadheath.coventry.sch.uk/nursery-afternoon-stay-and-play-times/</p> | <p>The reason for this is because the children do skills academy around this time and for security reasons the gates cannot keep being opened at different times. This also disrupts the children's learning time.</p> | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |

| <p>AOB:</p> | <p style="color: red;">Could there be a meeting with parents and class teacher one a year to go through the blog and encourage parents to check the blog daily for updates? RRK shared that it should be being shared at the beginning of the year with each parent on a one-to-one.</p> | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |

LSA is supposed to check the data collection sheets with the parents in school this is when the teachers should be sharing information with the reading diaries, the blog etc.

Why can we not have a meeting with the class teacher at the end of the year? Teachers should be sharing with the adults that they can meet with the teacher at any time after the release of the report to discuss anything they feel they would like to discuss regarding their child. One parent shared that having a parent's consultation in September is too early.

Some parents were unaware that they could meet with the teacher after the release of the report, maybe at the end of the report it could be written that if parents would like to meet with the teacher to discuss anything.

The last parents meeting is optional based on reports and parents are encouraged to book a meeting- JF
The September meeting is held early so any issues/information sharing can be shared quickly and positive relationships formed. It ensures everyone is clear about expectations. If you would like to see their work at any time, parents are encouraged to book an apt.-JF

Late collections were discussed with parents – if there is a genuine reason we will try and support, however we have had others that turn up very late and have no explanation. The money goes into the school fund this is a pot that we decide and it is spent on the children. JF has shared that whilst she is at BH she will continue to give the children life opportunities and the best start in life.

A parent has brought some leaflets in and they were given to provide around school for sessions throughout the summer for parents and children.

Trips were discussed with parents and how the trips are highly subsidised for them and we are trying to make sure that all are treated the same and fair. Our duty is to support all where we can.

In September there will be a new BH PE t-shirt. All children will need to wear one in September One t-shirt will be provided free and they can be purchased from the office for £4 each if anyone would like extra ones. This t-shirt will need to be worn with leggings/shorts or joggers. Please put their name in them.

One parent had discussed that her child feels a little uncomfortable changing for PE in the classroom as it is mixed with boys and girls in the classroom. JF shared that when they move up to Year 5 they will have separate areas to get changed in as they get older.
