**Years 5 and 6 Meeting**

**Present: Hargun (ill), Ridwan, Haleema, Yusuuf, Asia, Naly, Farhaan, Zuzanna, Muhammad, Safa. Sean and Ayesha did not turn up again.**

**Agenda:**

**1. Review Sports Day. What do we think of the new format? What did parents think of the day?**

It was really good because everyone took part. Children had the opportunity to choose their own sport. Very positive! In previous years, it was good that everyone had a chance to participate in all of the sport – could this happen again? Some children felt they had to wait a while to have a go.

Would it possible to have rowing on sports day?

**2. Transition days – What activities did you enjoy? Were the activities useful to help you being ready for the new school year?**

Everyone enjoyed the activities that were planned for by the teachers. It was interesting to find out what learning would take place in their new class. Enjoyed the videos on the blog and this helped with being confident about next year.

**3. Revisit BH values. What are the values? Do you use these within the curriculum?**

We all have to follow the British Values and our school rules. Very good knowledge on British Values.

School Values – Respect, kindness, resilience, tolerance, To Gain, teamwork.

Councillors felt the other children would struggle to verbalise this as these words. Teachers and children should be using these in lessons as well as on the blog. **Can teachers plan more opportunities for this? Links to PSHE/class values?**

#### **4. Review the home/school contract?**

Children thought everything on the contract helped to be prepared for school. Some children mentioned it supported parents in how they could help with their child's homework. It also made clear what the teachers to do to help with our learning. Some people thought that a handful of children/parents did not follow the uniform policy. We discussed how to promote this more and children stated that classes should look at it on a regular basis so everyone can remember this.

#### **5. Key areas to focus on for the new Year 5 roles going into Year 6. Handover.**
