

Year 6 Interactive Homework Planner: Autumn 1

At Broad Heath, we want children to be active learners who become great thinkers, super readers, fantastic writers, are kind, considerate but most all are inspired to learn. By working together, we can make this school year a very positive and successful inspirational experience for both you and your child.

The children need to choose at least one activity per week to complete for their homework. Their homework must be returned to school by Wednesday.

Please send evidence of your work to year6upload@broadheath.coventry.sch.uk

<p>Mathematics & English</p> 	<p>Week 1: Write a biography about Charles Darwin and his findings. <i>(check list will be shared on the class blog)</i> Please send to: year6upload@broadheath.coventry.sch.uk</p>	<p>Week 2: Research five extinct animals of your choice.
