

Year 2 Homework Planner: Autumn 2

At Broad Heath we want children to be active learners who become great thinkers, super readers, fantastic writers, are kind, considerate but most all are inspired to learn. By working together, we can make this school year a very positive and successful inspirational experience for both you and your child.

The children are to choose at least two activities from each column per week. The homework must be returned to school by Wednesday. A minimum of 2 pieces of homework must be completed each week. Please use the upload link on the weekly blog to upload your work. Please don't bring your work into school.
