

Year 5 Homework Planner: Autumn 2

At Broad Heath we want children to be active learners who become great thinkers, super readers and fantastic writers who are kind, considerate but most of all, are inspired to learn. By working together, we can make this school year a very positive and successful inspirational experience for both you and your child.

The children are to choose at least two activities from each row per week and complete in either their Homework book, Blog or on Education City. The homework must be returned to school by Wednesday the following week after the homework has been set. A minimum of 2 pieces of homework must be completed each week.

	Week 1	Week 2	Week 3	Week 4	Week 5
Mathematics 	To recall multiplication facts. Times tables activity on Education City	To complete the maths challenge. Complete the Maths Challenge on the school website (Challenges area.)	To define key maths vocabulary Write definitions for the key maths vocabulary explored until throughout the first 3 weeks (list given).	To answer questions based on our in class learning Answer the Area and perimeter questions that are on the blog. Write your answers in your book.	To answer questions based on our in class learning Answer the questions on irregular shapes that are on the blog. Write answers in your book.
Literacy 	To complete the reading challenge Complete the Reading Challenge on the school website (Challenges area.)	To use adventurous vocabulary. Write a story about a trip to a magical place. Make sure you use lots of descriptive language and dialogue.	To use persuasive vocabulary If you could get rid of anything in the world, what would it be and why? Persuade your reader with as many persuasive features as you can. (can write a paragraph or make a poster)	To create a persuasive leaflet Create your own travel brochure for Coventry. Try to persuade as many people as you can to come with all its tourist attractions.	To comprehend a text. Read the persuasive text on the blog and answer the comprehension questions.
	To locate Spain and some of the physical features. <u>Geography</u> Where is Spain? What can you tell me about its key Physical Features? How about its important Human Features? Create a fact file.	To understand seasonality and where and how food is grown <u>DT</u> Research food grown in Spanish. Explain how the weather in Spain impacts on the food grown.	To investigate thermal insulators. <u>Science</u> Which materials are best at keeping drinks warm? Why? How could we test? Plan in investigation.	To research the Spanish royal family <u>History</u> Spain has a Royal Family. What can you find out about them? What can you find out about the history of the Spanish Royal Family? Create an information text.	To research Spain's traditional clothing. <u>Outfit Designer Competition</u> Design either a Flamenco dancer's outfit or a Matador's outfit. Challenge: Make an actual prototype of your outfit and model it!

PE and Swimming Kits
