

Year 6 Interactive Homework Planner: Autumn 2

At Broad Heath, we want children to be active learners who become great thinkers, super readers, fantastic writers, are kind, considerate but most all are inspired to learn. By working together, we can make this school year a very positive and successful inspirational experience for both you and your child.

The children need to choose at least one activity per week to complete for their homework. Their homework must be returned to school by Wednesday.

<p>Mathematics / English</p>  	<p>Week 1: Create your own Black Death inspired Maths Game. E.g. worksheet, game, multiplication puzzle, colouring activity.</p>	<p>Week 2: Write a comparison between a child who lived during the Black Death and yourself who lived through the coronavirus pandemic. (focus on conjunctions and developing empathy)</p>	<p>Week 3: Maths- Fraction/ Decimal and percentages challenge.</p>	<p>Week 4: Conduct a fair test with your family. Which exercises raise your families heart rate the most?</p>	<p>Week 5: Write a sonnet about something which is important to you.</p>
 	<p>Week 1: Research the History of the Black Death – present your findings in any way you wish. http://broughttolife.sciencemuseum.org.uk/broughttolife/themes/diseases/black_death (In previous years children have created tea-stained scrolls and write a timeline in medieval font)</p>	<p>Week 2: Create a 3-dimensional heart model representing how oxygenated blood travels to and away from the heart.</p>	<p>Week 3: Use your imagination to create a modern day potion to cure the Black Death. Write a potion brief. What is the purpose? What ingredients have you used and why?</p>	<p>Week 4: Look at this website http://ks3historygames.co.uk/the-black-death-ks3-history/ and have a go at one of the activities. The link will be on the blog.</p>	<p>Week 5: Use your sewing skills from D&T this half term to stitch an object which reflects your learning during your time in year 6.</p>

Weekly Home Expectations

In addition to your weekly homework, children will also be expected to:

- ❖ Read your reading book daily and complete journal activities.
- ❖ Practise spellings with definitions/sentences in homework books.
- ❖ Complete Mathematics task set by your teachers.
- ❖ Complete the Education City/spag.com or Learning by Questions challenge set by your teachers.
- ❖ Contribute to every personal class blog and the BV blog
- ❖ At least one TTRS challenges set by your teacher.
- ❖ Maths & Reading challenges MUST be completed throughout the half term. (Challenge section via the blog)
