- <http://www.broadheath.coventry.sch.uk/>
- <https://www.purplemash.com/>

You will also be expected to practice your weekly spellings, read your reading book daily, complete activities in your reading diary and contribute to our class blog.

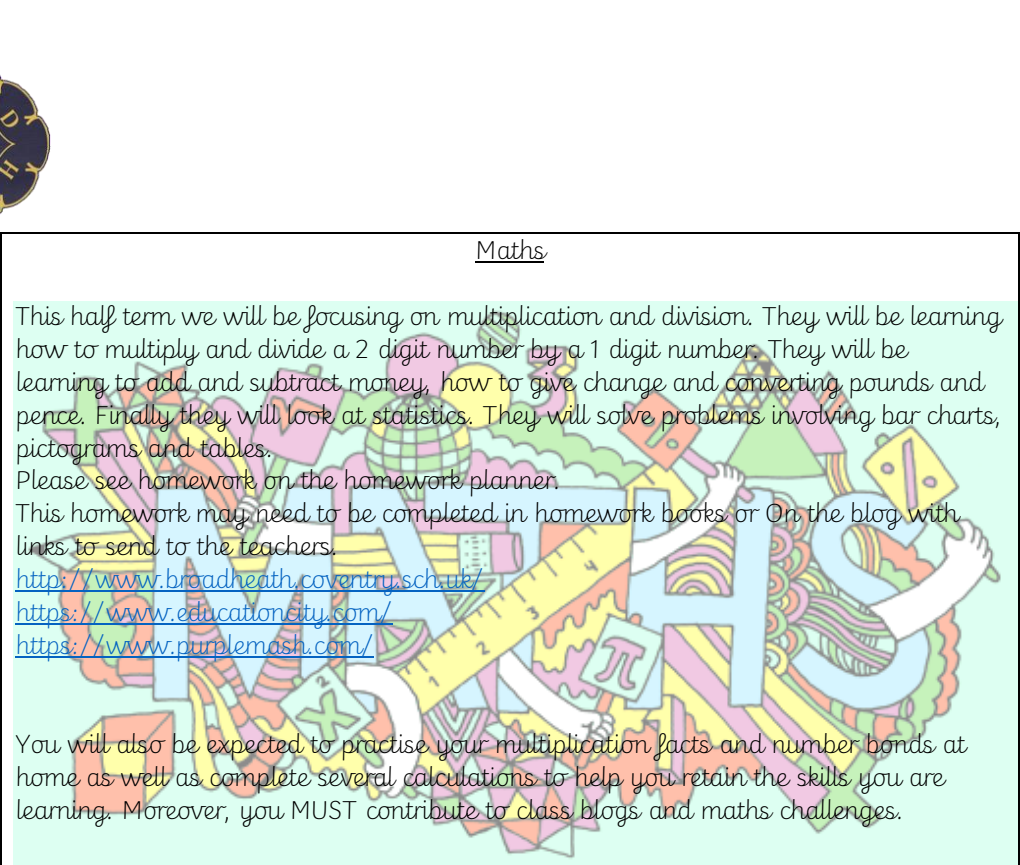

Maths

This half term we will be focusing on multiplication and division. They will be learning how to multiply and divide a 2 digit number by a 1 digit number. They will be learning to add and subtract money, how to give change and converting pounds and pence. Finally they will look at statistics. They will solve problems involving bar charts, pictograms and tables.

Please see homework on the homework planner. This homework may need to be completed in homework books or On the blog with links to send to the teachers.

- <https://www.educationcity.com/>
- <https://www.purplemash.com/>

You will also be expected to practise your multiplication facts and number bonds at home as well as complete several calculations to help you retain the skills you are learning. Moreover, you MUST contribute to class blogs and maths challenges.

Science

Our Science unit this half term is How does your garden grow?

- To understand that different food groups benefit the human body for growth and health.
- To identify some important bones in animals and humans.
- To describe how the skeleton and muscles work together.

Here are some useful links which we will be using during science this half term.

- <http://www.primaryhomeworkhelp.co.uk/skeletons.html>
- <http://www.primaryhomeworkhelp.co.uk/animals.html>

Keep looking out for Science links and challenges on our class blog.

Topic

Our Topic this half term is Romans We will be investigating and making enquiries about Roman artefacts. We will learn why the Romans came to Britain and identify the characteristics of Roman life and compare to Modern British lifestyles.

- <https://www.bbc.com/bitesize/articles/z2sm6sg>
- <http://www.primaryhomeworkhelp.co.uk/Romans.html>

Keep looking out for Topic links on our class blog.
