

Year 4 Homework Overview: Spring 1

At Broad Heath we want children to be active learners who become great thinkers, super readers, fantastic writers, are kind, considerate but most all are inspired to learn. By working together, we can make this school year a very positive and successful inspirational experience for both you and your child.

The children are to choose at least two activities from each row per week and complete in either their Homework book, Blog or on paper depending on the activity. The homework must be returned to school by Wednesday the following week after the homework has been set. A minimum of 2 pieces of homework must be completed each week. On top of this children must learn their weekly spellings as well as making sure they are reading their reading book and completing their challenges
