

## Reception Homework Overview: Spring 2

### Literacy

#### What are we learning in school?

Our topic this half term is People Who Help Us. We will be developing our sentence writing by ensuring that capital letters, finger spaces, and full stops are used correctly. We will be creating ingredient lists, letter, writing information about different people who help in our community.

#### What could you do at home?

Each week you will be set a piece of homework to support the previous week's learning. This homework may be sent home in the **homework folders, posted on the blog** <http://www.broadheath.coventry.sch.uk/> or be **available on Education City**.

You will be expected to **read your reading book daily, complete activities** in your **reading diary** and **contribute to our class blog**. You could also visit the library and read different variety of story books and information books about people who help us.

Try this reading game at home: <http://www.ictgames.com/helpAHedgehog/index.html>

### Understanding the World

#### What are we learning in school?

#### What are we learning in school?

Our Topic next half term is Understanding the world. Children will be looking at different people who support and help us within the community.

- Firefighters
- Police Officers
- Teacher
- Shop Keepers
- Doctors, nurses and paramedics.

We will be learning all about their roles, ways in which they help the community.

#### What could you do at home?

Make a poster of all the people who help us the community.

#### **Find out:**

Choose a person that help you in the community and write a list of what they do.

**Visits:** During this topic we are hoping to have a visit from the firefighters, police service and the paramedics.

### Mathematics

#### What are we learning in school?

In Maths this half term we will be learning to order numbers, match quantity to numeral, practically find different ways of making 10 and solve some simple addition sums.

We will be learning to develop addition and subtraction skills through practical work. We will also be attempting to use the correct mathematical vocabulary when exploring number.

#### What could you do at home?

Each week you will be set a piece of homework to support the previous week's learning. This homework may be sent home in the **homework folders, posted on the blog** <http://www.broadheath.coventry.sch.uk/> or be **available on Education City**.

Play Reception Maths games on Education City or ICT games. [http://www.ictgames.com/funny\\_fingers\\_v2.html](http://www.ictgames.com/funny_fingers_v2.html)

### Personal, Social and Emotional Development

Our SEAL unit this half term is Choices. We will be thinking about the different choices we can make and whether they might be the correct choices or incorrect choices. We will also be thinking about the consequences that comes from our actions.

We will also be encouraging children to try new activities by themselves in the classroom every day, about.

#### Expressive Art and Design

We will be encouraging the children to develop their imagination skills through role playing different stories. A range of modelling materials and construction will be used to create large and small vehicles and building structures.

**Physical Development:** PE: Our PE units this half term will be throwing and catching and multi-skills.
