

Year 4 Homework Overview: Spring 2

At Broad Heath we want children to be active learners who become great thinkers, super readers, fantastic writers, are kind, considerate but most all are inspired to learn. By working together, we can make this school year a very positive and successful inspirational experience for both you and your child.

The children are to choose at least two activities from each row per week and complete **online or in homework books**. Work completed in homework books need to be photographed and uploaded onto the Share point. The homework must be completed by **Wednesday** the following week after the homework has been set. A minimum of 2 pieces of homework must be completed each week. On top of this children must learn their **weekly spellings** as well as making sure they are reading their **reading book**, completing their **reading journal challenges** and learning their **times table facts**.

	Week 1	Week 2	Week 3	Week 4	Week 5
