

Year 5 Homework Overview: Spring 2

At Broad Heath we want children to be active learners who become great thinkers, super readers and fantastic writers who are kind, considerate but most of all, are inspired to learn. By working together, we can make this school year a very positive and successful inspirational experience for both you and your child.

The children are to choose at least two activities from each row per week and complete in either their Homework book, Blog or on Education City. The homework must be returned to school by Wednesday the following week after the homework has been set. A minimum of 2 pieces of homework must be completed each week.

	Week 1	Week 2	Week 3	Week 4	Week 5
 <p>Mathematics</p>	<p>To round numbers to 10, 100, and 1000. Rounding practice on Education City.</p>	<p>To complete the maths challenge Complete the Maths Challenge on the school website (Challenges area.)</p>	<p>To solve fraction word problems with fractions. Solve the fraction problem(s) posted on the class blog.</p>	<p>To understand fractions, and decimals. Complete fractions, and decimal challenges on Education City</p>	<p>To use reasoning skills to solve problems Solve the word problem(s) posted on the class blog.</p>
 <p>Literacy</p>	<p>To complete the reading challenge Complete the Reading Challenge on the school website (Challenges area.)</p>	<p>To use dashes, brackets and commas correctly to indicate parenthesis. Education City game-Well comma to the Jungle</p>	<p>To use prepositions to describe. Use prepositions to describe a journey you have been on. Make sure you elaborate using descriptive devices too.</p>	<p>To write a character description Describe Bilbo Baggins from The Hobbit. Include a range of clauses and expanded noun phrases.</p>	<p>To draft my own adventure story. Write an adventure story of your own with a clear beginning, middle and end. Plan your characters and plot carefully and remember to describe in detail.</p>
 <p>WOW!</p>	<p><u>Geography</u> To research rivers in the UK What can you find out about Rivers? What's our nearest river? What is the largest river in the UK? Smallest river? Largest in the world? Interesting river facts?</p>	<p><u>PSHE</u> To understand the role of the prime minister Produce a poster/advert describing why you would make a good prime minister. What would you change? What would you prioritise?</p>	<p><u>Science</u> To research a specific plant or animal commenting on their habitats and characteristics. Create a fact file/poster about a habitat of your choice. Give examples of animals/plants which live there along with information about their life cycles.</p>	<p><u>Art</u> To create a surrealist picture. Create your own piece of surrealist artwork.</p>	<p><u>Setting Model Competition</u> To create a 3D model Create a model of your favourite location described in The Hobbit. You can include characters in the setting but we mainly want to see the detail in the setting.</p>
<p><u>PE and Swimming Kits</u> Make sure your PE and Swimming Kits are brought into school <u>every Monday</u> ready for the week ahead.</p>				<p><u>Weekly Home Expectations</u> You will also be expected to: Read your reading book daily. Practise the spellings list you've been given. Practise your times tables. Contribute to the class blog. The best WOW! Challenge homework will be showcased!</p>
