

Reception Homework Overview: Summer 1

Literacy

What are we learning in school?

Our topic this half term is Living and Growing. We will be developing our sentence writing by ensuring that capital letters, finger spaces, and full stops are used correctly. We will be writing labels, captions, sentences and describing what we can see.

What could you do at home?

Each week you will be set a piece of homework to support the previous week's learning. This homework may be sent home in the **homework folders** or **posted on the class blogs** on our **website** <http://www.broadheath.coventry.sch.uk/>

You will be expected to **read your reading book daily**, **complete activities** in your **reading diary** and **contribute to our class blog**. You could also visit the library and read different variety of story books and information books about people who help us.

Try this reading game at home: <http://www.ictgames.com/helpAHedgehog/index.html>

Mathematics

What are we learning in school?

In Maths this half term we will be developing our knowledge of numbers to 10 to gain a deeper understanding of the composition of number. We will be learning to double and explore numerical patterns. We will be finding different ways to make 5 and 10.

We will be learning to develop addition and subtraction skills through practical work. We will also be attempting to use the correct mathematical vocabulary when exploring number.

What could you do at home?

Each week you will be set a piece of homework to support the previous week's learning. This homework may be sent home in the **homework folders** or **posted on the class blogs** on our **website** <http://www.broadheath.coventry.sch.uk/>

Understanding the World

What are we learning in school?

What are we learning in school?

Our Topic next half term is Understanding the world. Children will be learning about Living and Growing. Children will learn:

- How we grow and change
- Plants
- Spiders
- Caterpillars
- Frogs

What could you do at home?

Go on a minibeast hunt and see what bugs you can find in your garden or at the park.

Find out:

All about the life cycle of a caterpillar!

Personal, Social and Emotional Development

Our SEAL unit this half term is Choices. We will be thinking about the different choices we can make and whether they might be the correct choices or incorrect choices. We will also be thinking about the consequences that comes from our actions.

We will also be encouraging children to try new activities by themselves in the classroom every day, about.

Expressive Art and Design

We will be encouraging the children to develop their imagination skills through role playing different stories. We will be developing our sketching and creative skills when drawing self-portraits and drawing diagrams.

Physical Development: We will be continuing to develop our fine motor skills for writing by taking part in dough disco and through our Funky Fingers area in the classroom.
