

Year 6 Homework Overview: Summer 2

At Broad Heath, we want children to be active learners who become great thinkers, super readers, fantastic writers, are kind, considerate but most all are inspired to learn. By working together, we can make this school year a very positive and successful inspirational experience for both you and your child.

In addition to weekly homework activities (see the box below) children are to choose one activity each week from the activities below for this half term. Homework must be brought into school each Wednesday.
