

Year 5 Homework Overview: Summer 1

At Broad Heath we want children to be active learners who become great thinkers, super readers and fantastic writers who are kind, considerate but most of all, are inspired to learn. By working together, we can make this school year a very positive and successful inspirational experience for both you and your child.

The children are to choose at least two activities from each row per week and complete in either their Homework book, Blog or on Education City. The homework must be returned to school by Wednesday the following week after the homework has been set. A minimum of 2 pieces of homework must be completed each week.

	Week 1	Week 2	Week 3	Week 4
Mathematics 	<u>To secure multiplication facts including division.</u> Times tables practise on Education City. Remember division and multiplication facts link.	<u>To complete maths challenge.</u> Complete the Maths Challenge on the school website (Challenges area.)	<u>To understand decimals</u> Complete the challenges on Education City securing you're new knowledge of decimals.	<u>To use RUCSAC for word problems.</u> Complete the word problems on the school blog.
