

## Reception Curriculum Overview: Summer 2

### Literacy

#### What are we learning in school?

Our topic this half term is Journeys. The children will be focusing on using finger spaces, and full stops and capital letters correctly.

#### What could you do at home?

Each week you will be set a piece of homework to support the previous week's learning. This homework may be sent home in the **homework folders or posted on the blog**

<http://www.broadheath.coventry.sch.uk/>

You will be expected to **read your reading book daily, complete activities** in your **reading diary** and **contribute to our class blog**. You could also visit the library and read different variety of story books and information books about insects.

Try this reading game at home: <http://www.ictgames.com/helpAHedgehog/index.html>

### Mathematics

#### What are we learning in school?

In Maths this half term the children will be learning how to secure our knowledge of numbers to 10 including adding and taking away. They will begin to learn to count by grouping i.e. 2's, 5's and 10's.

We will be learning to develop their addition and subtraction skills through practical work and solving sums and word problems. We will also be attempting to use the correct mathematical vocabulary to support our learning.

#### What could you do at home?

Each week you will be set a piece of homework to support the previous week's learning. This homework may be sent home in the **homework folders or posted on the blog**

### Understanding the World

#### What are we learning in school?

Our Topic next half term is Journeys. Children will be looking at similarities and differences of different types of transport and we will be finding out about different countries, comparing these to where we live.

- Air transport
- Land transport
- Boats
- Floating and sinking

We will be learning all about their roles, ways in which they help the community.

#### What could you do at home?

Find out how many different types of transport travels in the air.

**Visits:** During this topic the children will be visiting the Transport Museum in Coventry City Centre.

### Personal, Social and Emotional Development

Our SEAL unit this half term is Changes. Children will recognise successful things they have done this year, reviewing their memories and develop and understanding the expectations for Year 1.

Children are now confident independent learners trying new activities by themselves in the classroom every day.

#### Expressive Art and Design

We will be encouraging the children to develop their imagination skills by making different types of transport using a range of different art media.

#### Physical Development

We will be developing our fine and gross motor skills to form recognisable letters and to hold and use a pencil correctly before moving into Year 1.

#### PE

Our PE unit this half term will be participating and developing their ability to work in a team and playing team games.
