Agenda:

1. What are your thoughts on the Summer Fair? How could we improve it further?

Year 2

2R-The children suggested having a few more games. Rayan suggested a fishing game. Could we use the golf course and charge as another game? More sports games perhaps?

2W- The class thought it was a great success. The new circus tent and bouncy castle were popular. Lots really enjoyed the football shootout and sport activities were popular in general.

Maybe next year we could open the pool? This would be too difficult to manage I am afraid.

2B- Lots of us came to the fair. We enjoyed it. We liked the bouncy castle, winning prizes, the raffle was good, we enjoyed eating ice-cream. Most of our class liked it on a Friday after school but some of us preferred it on a Saturday. We would like to have fair rides or swings. If we could use the swimming pool it would be better.

Year 3

3 Red-Thought it was fun going on the adventure playground and playing the raffle. 3 Red think we could improve the fair by selling cups of teas and perhaps selling more flavours of ice cream. **3 Red would also like a popcorn stall in the future. I think this is possible**

3W- It was good we think there could be a cake stall selling a variety of homemade treats. Some of the stalls could have been set up in the shade in the MUGA. **More drinks stalls dotted around to stop big queues. Agree the space will be better next year.**

3B- The fair was fun and well organised. There was plenty of prizes however towards the end the burgers had run out which was a shame. The class were 50/50 on whether it should be on a Friday or Saturday. It could be improved by having more game stalls and lower prices.

Year 4

4R/4W- All enjoyed it. Longer time on the bouncy castle. Include egg and spoon races. Include bike races.

4B- We liked the raffle. We liked the guess the teacher stall. We liked the toys. I liked the bouncy castle. More food options would be an improvement. We would like slushies and possibly pizza.

My response: We are glad that you had fun. Thank you for suggestions.

JF's response: Please see above. A fair is a day to celebrate with your family. The swimming pool is not an option because of safety issues.

Year 2

2R-More children voted that they didn't think this was a good idea.

2W-Most children would like to have a singing assembly. They were concerned that they would have to sing to an audience originally, but after explanation, they understood it would just be like doing it in our class.

2B- Yes, we would like to have a singing assembly.

Year 3

3R-Had mixed opinions about this. 10 out of the class would be in favour of this.

3W-We like the idea of year groups where we can all sing together.

3B-8 children agree this is a good idea. However, the children would like to have year group and phase assemblies.

Year 4

4R-Some like the idea.

4W- 6/30 like the idea.

4B-I think it would be nice if we had it. It would be nice once a half-term. If we did this, we would want happy songs only.

My response: Children shared they liked the idea but were a bit worried as it has not taken place since COVID.

JF's response: Let's trial it- lets have some fun!

AOB:

- Would it be possible to look into having a Rock Climbing on an external wall?
- Would it be possible to have Trampolines?

JF's response: No, I am afraid a rock climbing wall is not possible- we had one come in for health week and this was a treat.

No to trampolines because of storage.
