

Reception Interactive Homework Overview: Autumn Term 2

At Broad Heath we want children to be active learners who become great thinkers, super readers, fantastic writers, are kind, considerate but most all are inspired to learn. By working together, we can make this school year a very positive and successful inspirational experience for both you and your child.

The children are to choose at least two activities from each row per week and complete in either their [Homework book](#) or on the [Blog](#). The homework must be completed by Wednesday the following week after the homework has been set. A minimum of 2 pieces of homework must be completed each week. Please send all completed work to the following email address: EYupload@broadheath.coventry.sch.uk

	Week 1	Week 2	Week 3	Week 4	Week 5
Mathematics 	Can you make a firework or rocket using only shapes?	Log on to Education City and play the maths game in your 'homework'.	Can you draw a circle, square, rectangle and triangle?
