

Reception Interactive Homework Overview: Autumn Term 1

At Broad Heath we want children to be active learners who become great thinkers, super readers, fantastic writers, are kind, considerate but most all are inspired to learn. By working together, we can make this school year a very positive and successful inspirational experience for both you and your child.

The children are to choose at least two activities from each row per week and complete either in their [Homework book](#), [Blog and education city](#). The homework must be completed in your child's homework book and sent back to school by **WEDNESDAY** at the latest.

	Week 1	Week 2	Week 3	Week 4	Week 5
Mathematics 	Go for a walk down your street/road and see if you can find and recognise numbers to 5. As a challenge, can you find numbers 1 – 10.	Watch the video on the Reception blog page.
