

DRIVING IN MY CAR

Words and music by Michael Barson

Car sounds for 4 beats

Car sounds for 4 beats

I've been dri- -ving in my car

Car sounds for 4 beats

It's not quite a jag- -u- -ar

Car sounds for 4 beats

I boughtit in Prim- -rose Hill

Car sounds for 4 beats

From a bloke, from Bra- -zil

Car sounds for 4 beats

It was made in fif- -ty nine

In a fac- -tory by the Tyne

It says Mor- -ris on the door, the G P O owned it be- -fore,

I drive in it for my job, the go- -ver- -nor calls me a slob, But I don't real- -ly care

Car sounds for 4 beats

Car sounds for 4 beats

Give me some gas and the o- -pen air.

It's a bit old but it's mine, I mend it in my spare time

Just last week I changed the oil, the roc- -ker valves and the coil

Car sounds for 8 beats

Just last weekl changedthe oil. Last weekit went round the clockJ

al- -so had a litt- -le knock I den- -ted some- -bod- -y's fen- -der,

he learnt not to park on a ben- -der!

I've been driving in my car (*car sounds for 4 beats*)
 It's not quite a jaguar (*car sounds for 4 beats*)
 I bought it in Primrose Hill (*car sounds for 4 beats*)
 From a bloke, from Brazil (*car sounds for 4 beats*)
 It was made in fifty-nine (*car sounds for 4 beats*)
 In a factory by the Tyne (*car sounds for 4 beats*)

It says Morris on the door, the GPO owned it before,
 I drive in it for my job, the governor calls me a slob,
 But I don't really care (*car sounds for 4 beats*)
 Give me some gas and the open air (*car sounds for 4 beats*)

Instrumental Section

It's a bit old but it's mine, I mend it in my spare time
 Just last week I changed the oil, the rocker valves and the coil
 Just last week I changed the oil (*car sounds for 8 beats*)

Last week it went round the clock, I also had a little knock
 I dented somebody's fender, he learnt not to park on a bender!

Instrumental Section

I've been driving in my car (*car sounds for 4 beats*)
 It don't look much but I've been far (*car sounds for 4 beats*)
 I drive up to Muswell Hill (*car sounds for 4 beats*)
 I've even been to Selsey Bill (*car sounds for 4 beats*)

I drove along the A45(*car sounds for 4 beats*)
 I had her up to 58 (*car sounds for 4 beats*)

This copper stopped me the other day, you're mistaken what could I say
 The tyres were a little worn, they were OK, I could have sworn

I like driving in my car, (*car sounds for 4 beats*)
 I'm satisfied I've got this far (*car sounds for 4 beats*)

Instrumental Section

I like driving in my car (*car sounds for 4 beats*)

 I like driving in my car (*car sounds for 4 beats*)
 Even with a flat tyre (*car sounds for 4 beats*)
 I like driving in my car (*car sounds for 4 beats*)
 It's not quite a jaguar (*car sounds for 4 beats*)
 I like driving in my car (*car sounds for 4 beats*)
 I'm satisfied I've got this far (*car sounds for 4 beats*)

(*repeat car sounds to fade*)
