

At Broad Heath we want children to be active learners who become great thinkers, super readers, fantastic writers, are kind, considerate but most all are inspired to learn. By working together, we can make this school year a very positive and successful inspirational experience for both you and your child.

## Reception Homework Planner

### Spring 1

The children are to choose at least two activities from each row per week and complete in either their Homework book, on the class blog or on Education City.
