Agenda: To write and letter and send an email to Coventry City Council regarding the litter outside of the school grounds.

To whom it may concern

We are the Broad Heath School Councillors from Years 2, 3 and 4 and are writing to yourselves on behalf of the children and staff at Broad Heath.

We take a lot of pride in our environment and like to keep our school as tidy as possible. We do this by regularly inspecting the interior and the exterior.

We work really hard tidying up the area and keeping our environment clean and tidy. We have recently noticed that there is a lot of litter by the school entrances, around the outside of the school gates. This is litter that we are worried about and that is why we are writing to yourselves.

The bin by the St Paul's Road entrance has been emptied recently but the rest of the litter has been left around the area.

The Webster Park entrance on Stoney Stanton Road is also a mess and often has hazardous waste and other litter discarded at the entrance on the pavement.

We are sending you some photographs as an example of the litter that we would like to be removed.

Please respond to our request and let us know when you will be helping the environment outside of our school gates look as great as the environment inside of the school.

We eagerly await your response

Yours sincerely

Broad Heath School Councillors (Years 2-4)
