

NEWS

We are very proud that we are working very closely with John Magee, a kindness coach that has visited Broad Heath and challenged our pupils to do some random acts of kindness and care.

As adults, we are models for children and hope we practice the values that we want our young people to have. Act selfishly and our children become selfish, care and share and we get these back.

"The most important thing is to try and inspire people so they can be great in whatever they want to do."
