

Coronation Day

Verse 1 Young and old throughout the nation,
Here's a day for celebration!
Time to pop a cork or two
And wave the old red, white and blue!
So gather friends and family,
We're all a part of history.
Let the drums and trumpets sound,
Today's the day our king is crowned...

Chorus *So, give King Charles the 3rd
The biggest cheer he's ever heard!
Loudly, proudly shout 'HOORAY'!
On this, his Coronation Day!*

Verse 1 In the street we'll throw a party!
Lay the tables, light the barbie,
Bake a cake for all to share,
There's coronation chicken! Yeah!
So come together everyone,
Our voices raised in joyful song.
Let the drums and trumpets sound,
Today's the day our king is crowned...

Chorus *So, give King Charles the 3rd
The biggest cheer he's ever heard!
Loudly, proudly shout 'HOORAY'!
On this, his Coronation Day!*

Repeat *So, give King Charles the 3rd
The biggest cheer he's ever heard!
Loudly, proudly shout 'HOORAY'!
On this, his Coronation Day!*
