Summer Fair 2023

NEWS

It is that time of the year again, summer fair time when we all get together as a community and have fun. It is lovely to see so many people from the past and present enjoying each other's company and gaining. So, when is it?

Friday 16th June

Time: 4.45- 7 pm

What happens if it rains? We will postpone and rearrange.

Entrance Fee: you need to buy a wrist band.

What happens with the money raised? Last year we bought a magnificent blow-up assault course which cost thousands and many children have enjoyed using lately, it will be up on the Friday for many to enjoy.

Broad Heath website: This will be where you will see many photographs and also be able to share with family and relatives who missed the event.

If you have any donations, please can you contact Mrs. Raja Khan or please contact a member of the pastoral team.

Other key things: Please check the school website/calendar section for updates on school trips and other events.

Reports will be sent out at the end of the month. If you wish to see your child's teacher about any aspects of their learning, please can you book an appointment so a mutually convenient time can be arranged?

Finally, we break up in July and I look forward to saying bye personally to many of you. Mr. Andrews starts in September. He may see some of you before then.
