Dear Year 6 pupils

Thank you for the kind donation of £700 which you very kindly raised recently. The funds were received on 19th June via cheque. This will be used towards our work with children with disabilities and special needs and provide 14 therapy sessions..

From all the children at Tiny Tim's

We are delighted that you are able to support the work of the charity and in particular the children who need our help. This kind donation to the Tiny Tim's Children's Centre is very much appreciated and will be used to provide treatments for children with disabilities and special needs.

We provided in the region of 2,500 therapy sessions in the past 12 months and need to raise £370,000 each year to keep our full range of services running. We rely on donations to fund 80% of our work, so your gift really does help make all the difference to the lives of the children we support.

If you would like to come and learn more about how your donation has helped Tiny Tim's for yourself, we would be delighted to organise a visit for you. Please contact me on 02476 228 254 and we can discuss a suitable date.

Thank you once again for your support.

Kind Regards,

Miss Sarah Hemings BA(Hons)
Centre Manager
